## **Avantgarde Wins Three Awards From The Grand Rapids Press**

Grand Rapids, MI, 3 May, 2010 – In a 2010 readership poll by The Grand Rapids Press, Avantgarde dè Salon & Spa was voted Top Hair Salon for the second year, and this year also won Top Nail Salon and Top Day Spa. Defending their title from 2009, as Top Hair Salon, was very important to Avantgarde. And by adding the Top Nail Salon and Top Day Spa awards this year, it was a clear confirmation that after being opened only two and a half years and receiving such an honorable distinction, their mission to “Make A Difference” is being fulfilled!

“We truly are a different kind of salon,” says Bonnie Moore, Salon Owner. “It’s our mission to make a difference in people’s lives, my staff’s lives, and for every client that walks in the door,” says Moore. From a warm greeting upon entering the salon, a relaxing and enjoyable atmosphere, to friendly and expertly trained staff, you immediately sense the difference when you walk in the door.

With locations in Grand Rapids and Hudsonville, Avantgarde is a full service salon and day spa, providing head-to-toe services to enhance your beauty. Committed to offering their clients only the very best services and products available, each service and product line is selected with health and restoration in mind. Avantgarde features Kemon Hair Color from Italy, a PPD and ammonia free color line, glominerals makeup, which was voted best mineral makeup, and MoraccanOil, just to name a few.
